

## SU Campus Resources

### **Career Services** <http://careerservices.syr.edu/>

Career services assists students and alumni with exploring careers and finding fulfilling work experiences. Our motto is personalized attention. If you come into our office, you'll meet with someone one-on-one and receive customized guidance for your needs.

### **The Graduate School** <http://www.syr.edu/gradschool/gsprogram/index.html>

The Graduate School provides a year-round program of activities designed to enrich the educational programs and professional development of graduate students at Syracuse University. Many are targeted specifically to doctoral students.

### **The Writing Center** <http://wc.syr.edu/>

The primary aim of the Writing Center is to help you become a stronger, more accomplished writer. No matter which form of support you choose, writing consultants will work with you at any stage of your writing process.

### **The Graduate Editing Center** <http://wc.syr.edu/grad.html>

Located within the Writing Center, this program provides free editing and proofreading services to graduate and doctoral students. The editors work with a range of texts, from dissertations and master's theses to articles, conference presentations, and grant proposals

### **Office of Sponsored Programs/Office of Research** <http://osp.syr.edu/>

These offices often provide information sessions specific to effectively funding research projects.

### **The Office of Multicultural Affairs** <http://multicultural.syr.edu/>

To support and promote the academic achievement, multicultural competence, social development, civic engagement, and retention of students from historically underrepresented racial/ethnic groups at Syracuse University.

### **Slutzker Center for International Students** <http://students.syr.edu/scis/>

The Slutzker Center Staff is an International group of people, dedicated to helping international students during their education in Syracuse University, and represents many cultures from around the world.

### **The Office of Disability Services** <http://provost.syr.edu/provost/Units/academicprograms/DISABILITYSERVICES/index.aspx>

The Office of Disability Services facilitates access to programs and activities, coordinates auxiliary aids and services, provides access to adaptive technology, and when necessary, advocates on behalf of students with members of the campus community.

### **The Counseling Center** <http://counselingcenter.syr.edu/>

The Counseling Center is committed to enhancing the academic mission of the University through providing counseling, as well as prevention, education, and outreach activities. We are also sensitive to diversity, including race, gender, religion, ethnic background, and sexual orientation.

### **The Health Center** <http://students.syr.edu/health/index.html>

Syracuse University Health Services (SUHS) specializes in college health and serves the health care needs of SU and SUNY ESF students. SUHS strives to engage students in their individual health care process.

### **The LGBT Resource Center** <http://lgbt.syr.edu/>

The mission of the Syracuse University LGBT Resource Center is to provide education, advocacy, support, and safe communal space for lesbian, gay, bisexual, transgender, questioning, and straight-allied students, staff, faculty, parents, and alumni of Syracuse University.
